**"It is important to remember the tragic events of this day so they never happen again, anywhere in the world. Peace should be the goal of every person, every nation, and every faith on earth."**

**September 11, 2001- we will never forget! May those gentle souls who lost their lives that day rest in peace; and may Grace console their loved ones left behind and those injured (physically and emotionally) in the line of duty on that ill fated day.**

#### If I Knew

If I knew it would be the last time  
That I'd see you fall asleep,  
I would tuck you in more tightly  
And pray the Lord, your soul to keep.

If I knew it would be the last time  
That I see you walk out the door,  
I would give you a hug and kiss  
And call you back for one more.

If I knew it would be the last time  
I'd hear your voice lifted up in praise,  
I would video tape each action and word,  
So I could play them back day after day.

If I knew it would be the last time,  
I could spare an extra minute  
To stop and say "I love you."  
Instead of assuming you would KNOW I do.

If I knew it would be the last time  
I would be there to share your day,  
Well I'm sure you'll have so many more,  
So I can let just this one slip away.

For surely there's always tomorrow  
To make up for an oversight,  
And we always get a second chance  
To make everything just right.

There will always be another day  
To say "I love you."

And certainly there's another chance  
To say our "Anything I can do?"

But just in case I might be wrong,  
And today is all I get,  
I'd like to say how much I love you  
And I hope we never forget.

Tomorrow is not promised to anyone,  
Young or old alike,  
And today may be the last chance  
You get to hold your loved one tight.

So if you're waiting for tomorrow,  
Why not do it today?  
For if tomorrow never comes,  
You'll surely regret the day,

That you didn't take that extra time  
For a smile, a hug, or a kiss  
And you were too busy to grant someone,  
What turned out to be their one last wish.

So hold your loved ones close today,  
And whisper in their ear,  
Tell them how much you love them  
And that you'll always hold them dear

Take time to say "I'm sorry,"  
"Please forgive me," "Thank you," or "It's okay."  
And if tomorrow never comes,  
You'll have no regrets about today.
