Introducing: [Frozen Claw on Jonah Crab Clusters](#)

Wild caught, United States of America.

Averaging 4-6oz a cluster

Conveniently packed in 10# units

100% net weight guaranteed. 100% pure, no chemicals or preservatives

These are a reasonable alternative to higher priced Opilio Snow Crab & Dungeness Crab. Inventory available in Boston now

These pictures below tell the story on production and actual pictures from our tasting and QC at our office.

Off loading at the plant in New England. The plant has a full HACCP program in place and numerous inspection points throughout the production process.

These delicious crabs are alive and kicking!

Cleaning the crab by hand, very labor intensive. This crew cares about your enjoyment!

Into the cooker the crabs go, cooked perfectly every time.

Packed in convenient 10lb units.

CO2 flash frozen to capture the fresh sweet taste.

Here is a close-up of a typical Jonah cluster.

Cross section view. Full of delicious meat inside.

A pile of succulent Jonah Crab Clusters.

Manufacturers, yes we will be packing an 80/20 combo soon for your ingredient needs.

Call the Great Northern Products sales team right away to get all the information and set up your program today.
