General Information:

Great Northern Products offers farmed Mexican white shrimp from a hand selected group of our partner farmers. Located in the Sonora area adjacent to the Sea of Cortez, our farms take the greatest pride and care in their product, so as to produce the highest quality shrimp available on the market.

Latin Name:

Litopenaues vannamei

Harvesting Season:

September to November

Average size and Weight:

U/15, 16/20 and 21/25, are the primary harvest sizes.

Brand:

We are active in only Mexican shrimp, the best quality that "single harvest" farms can produce.

Sensory Characteristics:

White, medium-firm meat, with a nice mid to mild fresh shrimp flavor. They are known for an extra firm texture and slightly sweet flavor.

COOL: Farm raised, Mexico

Ingredients:

Mexican White Shrimp

Quality Control: HACCP
